

Hydraulic, Pneumatic Line,  
Mechanical Desing, Control,  
Automation, Industrial Tools  
Supplier and more...

**JAD**

Hose, connectors and tube fittings

Gaskets, seals and bearings

Industrial, electrical tools

Automation and control

Quality Approach  
in the Industry!

PRODUCTS & SERVICES

## ABOUT US

Outstanding for solving your needs immediately, we are pleased to formally present our company, providing service, quality and price. Generating trust and loyalty in our clients, we strive to improve every day.

Being distributors in the line of Hydraulics and Pneumatics, with the aim of covering immediately your requirements, we have 4 areas:

- \* **JAD Hoses, connectors and tube fittings**
- \* **JAD Gaskets, seals and bearings**
- \* **JAD Industrial and electric tools**
- \* **JAD Mechanical Design 3D & Automation**

## OUR CUSTOMERS

**FORVIA**

**DÜRR**

MITSUBISHI  
ELECTRIC

**PXI**  
**AUTOMOTIVE**  
**MEXICO**

BOLSAS PLASTICAS  
DE QUERETARO

- HELLA AUTOMOTIVE MEXICO, S.A. DE C.V.
- AKI SEAT MANUFACTURING, S.A. DE C.V.
- DÜRR DE MEXICO, S.A. DE C.V.
- MITSUBISHI ELECTRIC AUTOMATION, INC.
- PXI AUTOMOTIVE MEXICO, S. DE R.L. DE C.V.
- BOLSAS PLASTICAS DE QUERETARO, S.A. DE C.V.

WE ARE DISTRIBUTORS!

We have the best brands:

# PRODUCTS

Briefly, we present as a guide the material that we put at your disposal for fast identification.

## FOR HIGH, MEDIUM AND LOW PRESSURE HOSES:

For many applications and different diameters:  
Available in 1, 2, 4, 6, metal shield, textile cover,  
bandage cover, thermoplastic, and more!

## INDUSTRIAL HOSES

Load and download hoses, forward and return issues, most of kind of diameters and kind of materials: metal and textile shields, PVC spiral, SS304/316, copper, trama, PVC plain, lubrication uses, standard metric hoses.

**Many applications:** Solvents, Chemical, Hydraulic oil, gas, steam, dust and chips, oil products, food grade hoses, multi-purpose and more!

# PRODUCTS

**20D Series Double Ferrule Tube Fittings**  
10,000 - 20,000 psig

**20M Series Medium Pressure Fittings**  
20,000 psig

**PMH Series Pipe Fittings**  
10,000 - 60,000 psig

**AMH Series Adapter Fittings**  
10,000 - 60,000 psig

**Needle Valves**  
10,000 - 60,000 psig

○ 10N, 15N, 20N, 30N and 60N Series

**Pneumatic Needle Valves**  
10,000 - 60,000 psig

○ ATO and ATC Types

**Check Valves**  
10,000 - 60,000 psig

○ 10C, 15C, 20C and 60C Series  
○ 10CO, 15CO, 20CO and 60CO Series

**Calibration Fittings and Hoses**

**Quick-connects**

○ QC Series  
Instrumentation quick-connects

○ QV Series  
High flow quick-connects with valve

○ QF Series  
Full-flow quick-connects

○ QM Series  
Miniature quick-connects

○ QT Series  
PTFE-sealed quick-connects

**Hoses and Connectors**

○ MH and MM Series  
Metal convoluted hoses

○ PS Series  
PTFE-lined, stainless steel braided hoses

**Ball Valves**

○ BF and BFH Series  
Trunnion ball valves, temperature as low as -40°F

○ BG Series  
3-piece ball valves, pressure up to 1,000 psig

○ BH Series  
3-piece ball valves, pressure up to 3,000 psig

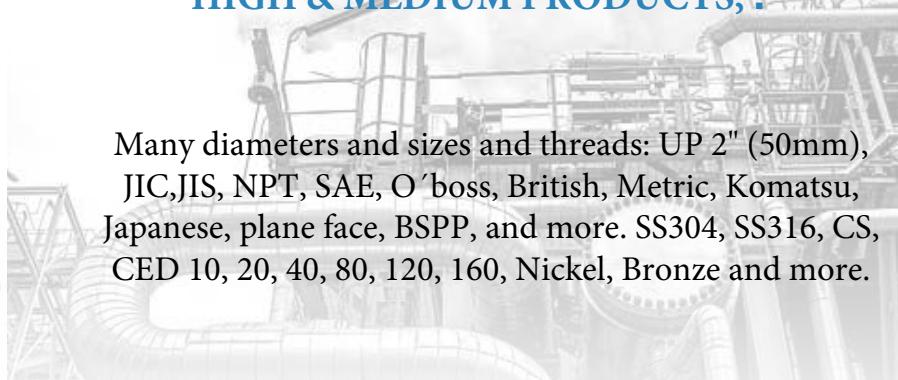

○ TH Series  
Thermoplastic hoses

○ HC Series  
Hose connectors and sleeves

## GENERAL INSTRUMENTATION AND TUBE FITTINGS PRODUCTS :

Many diameters and sizes and threads: UP 2" (50mm), JIC,JIS, NPT, SAE, O'boss, British, Metric, Komatsu, Japanese, plane face, BSPP, and more. SS304, SS316, CS, CED 10, 20, 40, 80, 120, 160, Nickel, Bronze, Copper, PVC and more.

## FOR PRESSURES UP 60,000 PSIG HIGH & MEDIUM PRODUCTS :

**60 Series High Pressure Fittings**  
60,000 psig

**Quick Couplings**  
10,000 - 30,000 psig

○ HQP, HQB, HQS and HQC Series

**Ball Valves**  
10,000 - 20,000 psig

○ 10B, 15B and 20B Series

**Pneumatic Ball Valves**  
10,000 - 20,000 psig

○ ATO, ATC and AOC Types

**Other Elements**

○ Thermowells and Doses

**Tools and Accessories**

Hand tube benders

○ HTB Series

Tube Cutters

○ FTC Series

# PRODUCTS

## PNEUMATIC FITTINGS

Fitting and pneumatic connectors, milimetric, standar, thread, union, etc.

## QUICK COUPLING PRODUCTS

Industrial and standar, interchange couplings

## PVC PIPE FITTINGS

SCH80 · 40 · CPVC · PVC Glue and primer · PVC Cleaner · Valves · Tubing · PVC transparent tubing.

## PNEUMATICS PRODUCTS

RFLs, Manometers, valves (electric and mechanical), filters, cilinders (SMC, Festo, YPC, Legris, Parker), dry and liquid manometers (DeWitt, Winters; Wika).

## QUICK CAM & SLOT CONNECTIONS

Aluminum, bronze, stainless steel, carbon steel, polypropylene & more. Different parts and diameters available.

# PRODUCTS

## SEALS AND ORING'S, RUBBER, GASKETS

- Wear guides
- Urethane
- PTFE
- Special customer gaskets
- O' rings
- Wipers
- Buna-N Nitrile
- Neoprene
- Silicone
- Viton
- Food grade gaskets (FDA)
- Kapton
- Polyamide
- Acetal
